Are you facing foreclosure or do you have concerns about whether you can continue to make your rising mortgage payments? If so, free and confidential help is available to you.

On Saturday, August 15th, between 10:00 a.m. and 2:00 p.m., my office, in conjunction with the Mountain House Community Services District, will host a Foreclosure Prevention Workshop at Bethany Elementary School. I encourage you to stop by at any time during the event to meet with housing and foreclosure experts who will provide information about what options are available to you. Representatives from various mortgage lending institutions will also be on hand to assist you.

Please RSVP so we can ensure there are enough service providers on hand to offer assistance. To RSVP, or to ask questions, please contact my Stockton office at (209) 476-8552. To RSVP via email, please write to McNerney.RSVP@mail.house.gov.

I look forward to seeing you on August 15th at the Workshop.
